ICUBE UTM

ABOUT US

ICUBE UTM is Entrepreneurship at UofT Mississauga. Based in the Institute for Management & Innovation ICUBE UTM offers students and community members free business development & commercialization services. Start-up coaching, entrepreneurial training, expert speakers, co-working space, and funding opportunities are just the tip of the ICUBE (see what we did there) of what our program offers.

Thanks to support from the Ontario Centres of Excellence and other partners, ICUBE contains innovative programming & support that is building a culture of innovation & entrepreneurship at UofT Mississauga and the western GTA.

ICE PROGRAM: INNOVATION TO COMMERCIALIZATION FOR ENTREPRENEURS

The 3-month ICE program is an intensive boot camp program designed for aspiring entrepreneurs to learn about the fundamentals of starting and validating their early stage business ideas. If you are a student, alumnus or community member with a great idea, we encourage your team to apply. Details available at www.icubeutm.ca

BRAMPTON ENTREPRENEUR CENTRE

ABOUT US

The Brampton Entrepreneur Centre is dedicated to helping business owners and entrepreneurs succeed. Whether you're opening a business, developing a business plan or transforming an established business, we have the expertise to help propel your ideas forward.

We're your one-stop source in Brampton for support, training, and mentoring. We offer: guidance on business start-up steps, permits and regulations, free or low-cost workshops and seminars, individual/private consultations, business plan reviews, referral services, counsel on growth and change issues, assistance with information about where to locate, open or expand your business, and professional development and networking opportunities. The Brampton Entrepreneur Centre also offers FREE consultations with business advisors.

STARTER COMPANY

If you're out of school and have a business idea, you can get support plus up to \$5,000 in funding to start a company or expand an existing one.

SUMMER COMPANY

If you've got a winning idea for starting a new business, you could get \$3,000 to turn it into reality.

STARTUP WEEKEND PEEL

November 4, 2016 || 6:30 PM - 11:59 PM

Startup Weekend is a global grassroots movement of active community leaders and entrepreneurs who are learning the basics of founding startups and launching successful ventures. This year Startup Weekend is happening again in Peel and this is your chance to start a company in 54 hours! Anyone is welcome to pitch their startup idea and receive feedback from their peers. Teams form organically around the ideas and those that have the most popular votes or team members carry on past Friday night. Each team must have at least three people. Ticket prices range from \$15 - \$50. For more information visit: peel.startupweekend.org/

RIC CENTRE

ABOUT US

Peel Region's hub for innovation and entrepreneurship, the Research Innovation Commercialization (RIC) Centre, co-located with Xerox Research Centre of Canada, is a not-for-profit organization supporting the development of innovation and entrepreneurship in Mississauga, Brampton and Caledon. RIC Centre offers a comprehensive range of support services for free, including mentorship and advisory services, hands-on workshops and networking events to help entrepreneurs fast-track their business to market. RIC Centre hosts a six-month Incubator program to help startups define their path to market by exploring and securing partnerships that will open access to capital, connections and paying customers.

RIC Centre provides services to technology startups of all shapes and sizes. Whether you just have an idea or have millions in revenue, we will tailor a custom strategy to your particular situation.

RIC Centre works with innovators in a range of sectors, including, but not limited to:

- Advanced Manufacturing
- Clean Technologies
- Digital Media and ICT
- Life Sciences

ENTREPRENEUR'S TOOLKIT WORKSHOP: THE MARCOM TOOLKIT

November 10, 2016 || 8:30 AM - 1:30 PM

This session introduces the “MarCom Strategic Framework,” and focuses on two key elements: defining your target audience and establishing credibility.

November 17, 2016 || 8:30 AM - 1:30 PM

In this session, you will align your marketing objectives with the consumers’ buying process while examining a variety of marketing channels and activities. You will evaluate and select which ones are the most relevant and credible with your target audience.

HUMBER CENTRE FOR ENTREPRENEURSHIP

ABOUT US

The Centre for Entrepreneurship (CfE) is the student focused on-campus destination for everyone who wants to explore the world of entrepreneurship and intrapreneurship. The CfE provides a space for like-minded individuals to meet, collaborate and create. No matter your passion, interest, or previous entrepreneurial experiences, the CfE has specialized opportunities that will stimulate new ways of thinking and support your unique goals.

These experiential learning opportunities include interactive workshops, networking events, and startup competitions. Participating students, alumni, and community members will be encouraged to use the G-Building's facilities and physical resources to help develop, grow, and test business ideas.

LAUNCHPAD PITCH COMPETITION

The LaunchPad Pitch Competition is held annually to help Humber College and Guelph-Humber students develop and grow their early-stage business concepts. LaunchPad winners will receive up to \$7,500 to support their startup ideas, along with guidance and support from Cfe mentors, and access to the Cfe's resources. For more information visit:

www.humber.ca/cfe/funding

BE YOUR OWN BOSS: WHAT'S THE BEST WAY TO GET STARTED?

November 15, 2016 || 4:15 - 6:00 PM

Join Jim Skinner, professor at The Business School and the Centre for Entrepreneurship as we discover what being your own boss is all about.

BASICS TO PITCHING

November 16, 2016 || 2:00 - 4:00 PM

Are you looking to improve your public speaking skills? Do you have a business and need to construct your pitch? Join us for a workshop on how to properly form a pitch for your business.

ONTARIO CENTRES OF EXCELLENCE

Ontario Centres of
Excellence

Where Next Happens

ABOUT US

Ontario Centres of Excellence (OCE) drives the development of Ontario's economy by helping create new jobs, products, services, technologies and businesses. In partnership with industry, OCE co-invests to commercialize innovation originating in the province's publicly funded colleges, universities and research hospitals. We also support and invest in early-stage projects, where the probability of commercial success and potential total return on innovation are substantial. A trusted partner of government in program delivery, we are committed to advancing a whole-of-government approach as a means of streamlining funding application processes for companies and entrepreneurs.

HOW WE DO IT

OCE works directly with academia and industry to bring prospective partners together to turn ideas into income. We deploy an experienced 40-person team of Business Development Managers to all corners of the province. They find out what's needed by industry and literally explore the halls and labs of academe to find out about the latest breakthroughs from researchers. Together, they work through OCE's tailored programs to commercialize innovations, transfer technologies and develop promising talent.
