**Complete the UTE Community Equity,  
Diversity and Inclusion (EDI) Survey**

University of Toronto Entrepreneurship (UTE) is conducting an annual UTE Community EDI Survey to ensure that our ecosystem and its related programs and activities consider Equity, Diversity, and Inclusion (EDI) and strive for representation and participation from underrepresented communities.

All members of the U of T Entrepreneurship community are encouraged to complete this survey: students, alumni, current and prospective entrepreneurs, staff, faculty, researchers and community partners.

Please note that the information collected will not be used to evaluate you as an individual. The data will be collected and securely held in the office of the Director, EDI, Research and Innovation, and only shared as de-identified, aggregated information to inform our institutional EDI reporting and best practices. Should you have additional questions, please reach out to [edi.research@utoronto.ca](mailto:edi.research@utoronto.ca).

Thank you for considering the completion of this survey to help ensure we are building a welcoming and inclusive community of innovators and entrepreneurs!
